Meet The Senior Leadership Team & Governors

Due to a clash with the Young Voices concert, we have rescheduled the meeting. It will now take place on Wednesday 8th February at 5:30pm.

I hope as many of you as possible can make it so we can work together to further improve our school.

Multiplication Check

Do you have a child in year 4? If so, your child will be participating in the multiplication tables check in June, this is a statutory assessment.

The purpose of the check is to determine whether your child can fluently recall their times tables up to 12, which is essential for future success in mathematics.

Mr Wedley, our Federation Maths Subject Ambassador, will be in touch next week to give you more information about our Times Table in school competitions that will be coming up to get children up to speed!

In the meantime, please click on the link for more information.
