Message from the Head

Welcome back to everyone! I trust that you all had a good Easter break and join me in looking forward to the summer term.

This afternoon, Mrs Liley and I had the pleasure of attending Shire Hall in Shrewsbury. The National Supporting Families Team were conducting a visit to Shropshire and we were one of a two primary schools invited to attend the conference.

There is an awful lot of work which the school does to support our children and their families which can often go unnoticed. We are proud that we were invited to share our practice and experience in recognition of the work we are doing across the Newhampton Federation.

Friends on the Field

A huge thank you to all those who spent last Saturday on the school field, hedge planting, vegetation clearing and revamping. It was wonderful to see so many giving their own time to support our children's school environment. Thank you!
