Message from the Head

Next Thursday is School Census Day. Amongst other things, it is a day when the funding of the school is decided and the main way that this is done is by counting the number of hot school dinners which are ordered. In short, the more children that have a school dinner, the more money the school gets... and this accounts for thousands of pounds within a school budget!

Therefore, if your child doesn't usually have a school dinner, please consider signing them up for one next Thursday as it will go along way to increasing our income for the next twelve months!

And if this isn't enough to tempt you, next Thursday is a very special **Build Your Own Burger** day!
