Message from the Head

It's been another busy week at Welshampton with children engaged in their learning and enjoying school. I encourage you to chat with your children about their favourite moments at school. And remember, learning doesn't stop at the school gates! Ask them about their dreams, encourage their curiosity, and let the joy of discovery continue at home.

Ellesmere College Netball & Rugby

Our Year 6 children from both Newtown and Welshampton were invited to participate in a rugby and netball festival at Ellesmere College on Thursday. Along with a few other local primary schools, they played some friendly and fun games, which gave them the opportunity to showcase their skills, learn new ones, and make new friends.

They enjoyed a team meal of sausage, chips, and beans at the end of the day. We are eagerly anticipating a summer event where the focus will be on tennis and cricket.

High Five Netball

We took a team of mixed Year 5/6 children to a netball tournament at Oswestry School on Wednesday. All children played with skill and determination and enjoyed the rotation system to try out new positions. We came 4th in our pool which was a fantastic result. Well done Netballers!

School Holidays and Term Dates

Wear It Red Day

This year we are supporting Midlands Air Ambulance on Friday 9th February 2024.. Wear It Red Day encourages local primary schools to wear something red to show their love for Midlands Air Ambulance Charity.

Last year, more than 30 schools wore red, raising over £6,000 for the charity. This funded four lifesaving missions, two by air ambulance and two by critical care cars. This year, by taking part in Wear it Red Day 2024, we will be helping save lives in our area by making their daily missions possible. By going to school wearing red and You will also be helping us to raise awareness of our charity's vital work in your region.
