## Message from the Head

On Tuesday we all went over to Newtown where we welcomed by the Cellar Church and their American guests. The team – led by Pastor Phil and Pastor Rob – were mainly from Mississippi and it was great for the children to experience the American energy!

The team organised a carousel of activities for all the children of the Newhampton Federation to enjoy, which included several bible stories, prayer trees and spirituality.

This was another opportunity for the Federation to come together and further enhance the community of our Federation. It is lovely to see friendships build as children become more familiar with each other and they learn how to build new friendships.

## Condover Residential

Today I had the pleasure of visiting our Year 3 and 4 children who were at Condoover Hall for their residential trip.

It was great to see the children having such a good time and learning all those valuable life lessons such as resilience, independence and teamwork.

Over the course of the two days, the children enjoyed a range of activities including abseiling, rock climbing and swimming.

A huge thank you to Mrs Edge, Mr Tinsley and Mrs Liley who took time away from their own families to enable the children to attend.

It was clear to see that they were having a brilliant time... but no doubt they will be ready for a good night's sleep this evening!

### High-Five Netball

On Wednesday of this week, we ventured down to The Marches with our Year 5 and 6 Netball Team. The children competed brilliantly against some larger schools in a sport where they have limited experience.

Despite the freezing conditions, the children grew into the competition and went on to win two matches over the course of the competition. Well done all!

HELP MAKE OUR PROJECT A REALITY  
BERWYN VIEW PUMP TRACK

# WE NEED YOUR HELP!

Ellesmere Town Council thinks that building a track in Ellesmere would provide an outdoor activity that would have a positive effect on physical and mental health and wellbeing.

After local consultation the Council have agreed that they would like to engage with the community to provide a pump track on their recreation ground at Berwyn View.

A pump track serves as a safe space for riders to practise their skills, reducing the likelihood of accidents in public areas or on the streets. It also creates an inclusive environment where beginners can learn alongside more experienced riders, fostering a sense of community and camaraderie.

A welcoming space for everyone!

- ✓ Fun and accessible activity for all ages and skill levels
- ✓ Improves physical activity and fitness
- ✓ Social and community interaction

Help us raise £71,053 for construction and maintenance by donating to the crowdfund page. Shropshire Council guarantee £15,000 when we achieve 10% of the target.
